Water harvesting system

†782. SHRI KRIPAL PARMAR: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the number of plots on which water harvesting system is being put in place after it has been made mandatory to install water harvesting system in the plots measuring 100 square yards and above by amending the integrated building bye-laws of Delhi vide a notification dated the 28th July, 2001;and

(b) the measures taken by the Central Public Works Department for rain water harvesting and recycling in the buildings constructed after the said date or the buildings under constructions?

THE MINISTER OF URBAN DEVELOPMENT (SHRI GHULAM NABI AZAD): (a) New Delhi Municipal Council (NDMC) has reported enforcement of provisions regarding Rain Water Harvesting while sanctioning building plans for private buildings in 396 cases and while granting completion Certificate for private buildings in 171 cases from April, 2001 to May, 2005. The Municipal Corporation of Delhi (MCD) has reported that 13777 building plans have been sanctioned by it in respect of plots measuring 100 sq. mtrs. or above with the provision of Water Harvesting after issue of the notification dated 28.7.2001.

(b) CPWD has reported that there are 87 buildings in which Rain Water Harvesting has been done or is in progress after notification dated 28.7.2001.

†Original notice of the question was received in Hindi.

Provision of Rain Water Harvesting and/or waste water recycling has been kept in all the buildings proposed to be taken up in the future wherever it is required or it is technically feasible.

Development of water and sewage disposal system in cities

†783. SHRIMATI KUM KUM RAI: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that Government are considering a proposal for solving the problem of potable water, sewage system and solid waste in selected three hundred towns of the country;

(b) if so, the details thereof;

(c) the number of towns of Bihar included in this scheme; and

(d) by when, this scheme would be introduced?

THE MINISTER OF URBAN DEVELOPMENT (SHRI GHULAM NABI AZAD): (a) and (b) There is a proposal to set up National Urban Renewal Mission (NURM) for select cities and an omnibus scheme, namely Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) for other cities to provide reform-linked assistance for development of infrastructure including water supply, sewerage and solid waste management. Details of the aforesaid schemes have not been finalized.

(c) and (d) The number of towns of Bihar to be included will be known only after approval of the schemes. The schemes are likely to be introduced during the current financial year.

Planned development of cities

†784. SHRI KRIPAL PARMAR: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that the research studies revealed that India is advancing to be a developed nation and an economic superpower;

(b) if so, whether it is also a fact that despite the planned efforts to develop world class cities, no city has so far become as such;

---
